# Practice Alert: DOL Confirms 1994 Farmer Memo Remains in Effect for PERM Travel Issues

*AILA Doc. No. 18060541 | Dated June 5, 2018*

At the June 5, 2018, DOL Stakeholder Meeting, the Office of Foreign Labor Certification (OFLC) confirmed that the [1994 Barbara Farmer memo](#) still stands as guidance for PERM travel issues. Similarly, OFLC is still following [GAL 02-98](#), and the [2009 Prevailing Wage Guidance](#). The recent "cancellation" notification that appeared on the DOL website is simply an administrative system update that does not reflect any policy change. The DOL Liaison Committee will provide members with full meeting notes in the next few weeks.
